For our guests with food sensitivities, allergies or special dietary needs: We prepare and serve products that contain all 14 major allergens. Although we and our suppliers take every care in preparing your meal, regular kitchen operations across our supply chain involve shared cooking and preparation areas, and food variations may occur due to ingredient substitutions, recipe revisions, and/or preparation at the restaurant. For these reasons, we cannot guarantee that any menu item will be completely free of allergens. Scan here for this menu's detailed dietary and allergen information or [forgans.co.uk/st-andrews/allergens](https://www.forgans.co.uk/st-andrews/allergens).
